Semi-Annual Code
Official/Contractor
Roundtable!!!

Do you have questions regarding code interpretation, inspection, or processes? This is your opportunity to ask code officials from the different jurisdictions to clarify the different aspects. Past sessions have proved to be an outstanding vehicle for both sides to express their views and find resolutions to problem areas.

We will have code officials from several jurisdictions, plus Mark Heizer from the State of Oregon, so please come prepared with real issues and an open mind.

FOR YOU INFORMATION!!!!

Starting in 2025 the ORACCA newsletter is going paperless. If we do not have your email address, please get to us to be sure you are included.
