**For Any of You That  
Have Employees  
Taking Brazing Test  
in June, This is a  
GREAT Opportunity  
to Help Them Pass!**

We are fortunate enough to be able to take advantage of Bob's only visit to our area this year. Anyone taking July tests should attend this session, if you have employees scheduled for July testing please arrange for them to attend either in person or online.

For those of you who do in-house training, this class is a must for your trainers, service managers, lead installers, and anyone else in a supervisory position.

We feel so strongly about this class that we have extended it to a full two hours to accommodate all questions. Please plan to attend!!!
