ORACCA Board & Member Meeting

June 5th, 2025 - 11:30AM-1:00PM

Free Business Training Class Sponsored by
BDR & ORACCA!

Get Noticed Online: 5 Ways to Build Your Brand on the Web

This month's meeting will be hosted by Justin Ebright, BDR Senior Marketing Coach, CHIRP Specialist & Trainer, BxB Media (A BDR Company).

Justin has been in the marketing and advertising profession for 36 years, and has helped over a thousand small and large businesses increase their brand, online presence, and revenue. He created multiple micro agencies in Michigan teaching clients about marketing. In 2021 he joined BxB Media, which was purchased by BDR in the summer of 2024, and is now their Senior Coach.

This promises to be a most enlightening session and a preview as to how we market our businesses in our ever changing business climate.

The June 5th Meeting will be held at NW College of Construction located at 8111 NE Holman St. Portland, OR. 97218 from 11:30AM-1:00PM.

Please join us for lunch or, dial in via Zoom link below!

Advocacy Issues

HARDI State Issues

HARDI's State Issues page provides insights into the evolving landscape of state-level regulations that impact the HVACR industry. A2L Refrigerant Building Code Map can be found [HERE](#)

Code Issues

Oregon Manufactured Dwelling Installation

Specialty Code

The Residential and Manufactured Structures Board has announced the beginning of the code adoption process for the 2025 Oregon Manufactured

Building
Codes
Division

Code Adoption Process

Major EPA shakeup could impact A2L refrigerant transition

The EPA just announced plans to reconsider the Technology Transitions Rule that banned R-410A equipment manufacturing starting January 1, 2025. This potential deregulation creates both opportunities and risks for contractors.
